

***“Stain Proof Carpet?....But how?”***

*From property managers to Mom’s and Dad’s, everyone wants a carpet that stays looking good for many years.*

*But how do you keep carpet looking newer longer, when you have kids, pets or tenants spilling drinks, food, or who knows what or where?*

***“The Carpet Department has the solution..... stain proof carpet!”***

*Yes, that’s right, we carry an extensive in-stock inventory of carpets whose pile is made from the same fibre as bleach/stain proof **pool carpet**, yet is designed to give a luxurious and durable look for homeowner’s and renter’s alike!*

*Featuring residential and commercial berbers, textured cut piles, and heavy duty office and corridor grades, **all 100% bleach and stain proof**, you can be assured that whatever your performance requirements are, **The Carpet Department** has the style, colour and price range to fit your needs!*

*Over one million square yards of our stain proof collection have been professionally installed in homes and rental units in Ontario.*

***Should yours be one of them?***

*Contact “**The Carpet Department**” in your area to arrange with a sales representative to show you this collection at your convenience.*
